Dear Manhasset Merchant:

The Chamber is in discussions with the Town of North Hempstead, the Manhasset Park District, and the Greater Civic Council to find parking off of Plandome Road and its adjacent lots for us owners and our employees. If successful, we will open up much needed customer parking on Plandome Road and our sales will increase. Our first step is to determine how much owner and employee parking is needed.

Your response to a few questions below will give us this critical information so we can create a solution that builds our businesses. Please answer the questions below, and send this letter back to me in the stamped envelope provided.
