Agenda

1. **Presentation** - Keith Samaroo, Director/Board Member from Vision Long Island (Discussion; ideas on similar community project planning).

Keith Samaroo, Paulus, Sokolowski & Sartor

Mr. Samaroo is a Principal at PS&S and is responsible for managing the New York Offices on Long Island and Yonkers. He has more than 20 years of experience working in the private real estate development and corporate markets. Mr. Samaroo is responsible for the sales of engineering services within the real estate markets including Brownfields, Waterfront and Urban Infill redevelopment projects including infrastructure and parking. Mr. Samaroo is responsible for creating new relationships with clients as well as enhancing existing client relationships. In his capacity, Mr. Samaroo also plays a role in the coordination and preparation of cost proposals as well as client management during the design process. He also coordinates the efforts of all involved disciplines to ensure client milestones are achieved. Mr. Samaroo is also responsible for developing relationships with municipalities and governing agencies to help streamline the approval process of projects. He is Board of Director for Vision Long Island, Board of Director for Big Brothers Big Sisters, Chairman of Trustees for United Methodist Church, Alumni of LIBN "40 Under 40" Award. He has a Bachelor of Science in Physics from Fordham University, Equivalent Electrical Engineering from Manhattan College, and a Masters in Banking & Finance from Dowling College.
