**Meeting Dates:** Due to holiday conflicts, the October and November meetings were moved from the regularly scheduled, second Monday of those months. The next three months meetings will be held on October 7<sup>th</sup>, November 4<sup>th</sup> and December 9<sup>th</sup>.

**Discussion Points:**

- Gino's Restaurant is purportedly moving to the old Les Corbeilles location, raising concerns about patron parking in the lots behind Manhasset Deli.
- The Basket store next to the Bagel Store opposite Young's is closing and is being replaced with a chocolate shop.
- The merchants were pleased and thankful that Ed King is willing to allow weekend employee parking in the lot his employees use weekdays behind Rite Aid. Ed Wassmer will follow up with Ed King to see if the indemnification letter is prepared and the entrance posts were moved as discussed in the spring.
- Bruce Bent could not attend, but reported to Ed Wassmer prior to the meeting that he had contacted Post Office employees to learn what efforts have been made previously to locate their trucks and employee cars elsewhere and whether there are any current opportunities to do so. He will report at the next meeting.
- Related to prior efforts above, John Regan reported that the County wanted too much to lease the paved area opposite the newly renovated park by Equinox Gym. We should consider contacting Judi Bosworth to help negotiate better terms, if Bruce reports that the Post Office considers the site a workable solution.
- All members present agreed on the need for the TONH attorney to attend a future meeting to answer several questions related to parking permits, illegal parking, and potential changes to current permitting and street parking to ease the parking dilemma. Ed Wassmer agreed to write up the questions and issues for the attorney to consider before meeting with the committee. He will forward the write up to Anna Kaplan to have it presented to the proper attorney for the Town.
- Carport parking, an idea put forth by the MPD commissioners in the spring, was considered too expensive to pursue given the price estimate per parking space compiled by their engineer. David Paterson will continue to research the feasibility and other communities' costs per space.
- Can TONH allow shoppers and business owners and employees to use their lots on weekends? The issue will be brought up again with Anna present.

**Meetings:** The next meeting is October 7<sup>th</sup>. The meeting was adjourned at 8:40 pm.

Respectfully submitted,  
Ed Wassmer
