

Bayview Civic Association & Rotary Club of Manhasset

Manhasset Children's Holiday Spectacular

December 1, 2017

Dear Business Owner and Benefactor:

The Bayview Civic Association has run the Manhasset Children's Holiday Spectacular for 21 consecutive years. A morning of fun for Manhasset children to enjoy the holiday season. This year the Bayview Civic Association has joined forces with the Rotary Club of Manhasset, who for 17 consecutive years ran the Manhasset Children's Circus. Hopefully, the circus will come to town again in 2018. This year's Holiday Spectacular looks to be the most attended event ever!

Bow Tie Cinema Manhasset has kindly donated their theater for the Children's Holiday Spectacular being held on Saturday, December 23rd. The doors will open at 8:30 am and the film *Despicable Me 3* will delight and entertain our children. Gifts will be given to each child attending along with a visit from you know who....ho, ho, ho!!!! In addition, we request that each attendee bring 2lbs of non-perishable foods to feed the homeless for the Holidays.

Your company can help to bring the joy of giving to the children of Manhasset by participating as a sponsor of the event. Sponsorship opportunities are on the attached sheet. Proceeds of this event be donated to help to people in our local area and around the world.

Proceeds will support *The Gift of Life* program, which was founded by the Manhasset Rotary, provides free lifesaving open heart surgery to children in need. This year the *Gift of Life* program celebrated its 42st anniversary. To date, more than 30,000 children from more than 81 countries have received lifesaving surgery. The Manhasset Rotary is also proud to provide college scholarships to Manhasset and St. Mary's high school graduates.

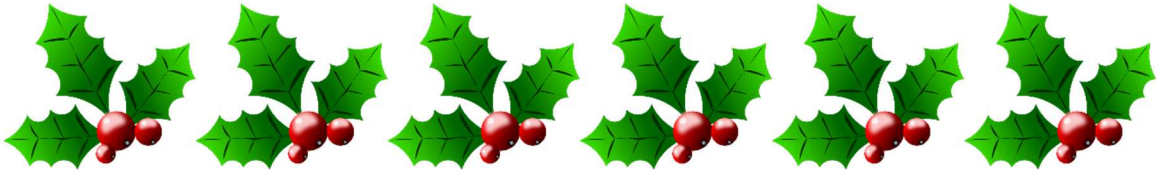

In addition to supporting the Rotary, sponsoring the event will also support local charities through the Manhasset Community Fund. MCF supports various other charitable organizations in the area including: Adventures in Learning, Soldiers Project, Interfaith Nutrition Network, Red Cross, Bridge to Life, Hospice Care Network, Twin Pines, Friends of Karen, Helen Keller National Center, Saint Mary's Children Hospital, Ronald McDonald House, Manhasset Community Coalition Against Substance Abuse (CASA), Domestic Violence and many others.

The Bayview Civic Association and the Manhasset Rotary welcomes your participation in this great Manhasset tradition.
